- Church World Service Blankets+

From something as simple as a blanket, amazing things can happen with your help. Your congregation or group can provide warmth & protection to victims of a disaster, seeds & tools to struggling farmers, and water & health to impoverished communities by holding a Church World Service Blankets+ Offering. Blankets+ helps families to recover from a disaster and resume the challenge of building self-sufficient, sustainable lives. But we can only be there with your support. For Thanksgiving, Christmas, or any other appropriate occasion, get involved in the lifesaving work of Church World Service by holding a CWS Blankets+ offering in your congregation or group. Make a gift of love that will keep on giving throughout the year. Go to www.churchworldservice.org and order your congregation kit that will assist you organize a successful event and provide more information about their many programs and resources.
